International Timber Solutions (ITS) is a dedicated timber exporting company which commenced operations in South Australia in 2007.

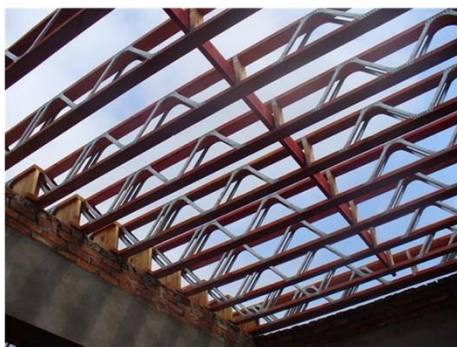

The company was formed by the experienced team of the export department of Weyerhaeuser Australia when Weyerhaeuser Australia outsourced its exports.

ITS is incorporated in Australia, New Zealand, Taiwan and Vietnam with sales activities covering all Asian markets.

The company has overseas representation contracts with a number of Australian, New Zealand, European and South American based manufacturers - effectively acting as their export division shipping to customers in the Asia Pacific region.

Certified Resources – ITS sources logs and timber products from environmentally certified plantation forests. Ask about FSC® availability.

Structural Timber – Engineered (Machine stress graded) product for safe, certified and efficient design.

Treatment – Tailored treatment options against termites and decay; guaranteed even in the harshest regions of Asia (*Conditions apply*).

Appearance Products – A wide range of appearance products to suit different styles of furniture, hand-crafting, mouldings, flooring, doors, windows and much, much more.

Pallets and Packing – KD or green in various sizes.

Export Documentation – ITS can take care of all necessary documentation of your international trade.

Knowledge – ITS can also advise on technical issues including factory planning, machine selection or installation and quality assurance.

We use the best people and the best resources to create International Timber Solutions for you.
